Chapter 13 Case No. 17-40454  
Order on Motion for Modification entered March 27, 2018**

Dear Judge Laney:

It has come to my attention that the above referenced Order does not include the language you added to the Order as announced from the bench during the hearing held March 27, 2018. Therefore, I have prepared and uploaded an Amended Order to include that language and respectfully request the Court enter the Amended Order to accurately reflect the Court's ruling.

Thank you for your consideration herein.

Sincerely,
